Investment strategy

OIT invests in a concentrated portfolio of well researched UK smaller companies, typically too small for inclusion in the FTSE 250. Constructive corporate engagement will be a key part of Odyssean's approach, drawing on the investment team's lengthy and successful track record in public and private equity investing.

Odyssean's fundamental, research driven approach is built on three pillars:

- **Value:** investing at a discount to today's intrinsic value, with multiple future drivers of growth value
- **Quality:** businesses with strong fundamentals, with particular focus on high cash returns on capital employed
- **Engagement:** potential to support management to enhance value
